10. (Unclassified - [redacted] LIAISON Called Mike Kraft, in STAT
the office of Senator Clifford Case (R., N.J.), who said that the
statement referred to by Senator Jacob Javits (R., N.Y.) was
carried in the Trenton Times but that there must have been a mis-
understanding by the reporter since Senator Case was directing the
statement not at CIA but the Administration. We then had a rather
lengthy conversation with Kraft indicating why he felt that the story on
[redacted] had been leaked by Administration sources although he acknowledged
that this would not excuse confirmation by anyone who participated
in the briefing.

11. (Unclassified - [redacted] LIAISON In the absence of STAT
Marian Czarnecki, Chief of Staff, House International Relations
Committee, advised Jack Brady, Staff Consultant, of briefings on
[redacted] being scheduled for Representatives Larry Winn (R., Kans.)
and John Buchanan (R., Ala.), which had been requested by STAT
John Holstein, of the Committee staff.

12. (Unclassified - [redacted] BRIEFING Called Guy McConnell, Senate STAT
Appropriations Committee staff, and confirmed the 9th and 10th of
March 1976 for the Director to brief the Committee on the intelligence
community and Agency budgets.

I also advised Mr. McConnell that [redacted] who was STAT
referred to the Agency by McConnell, will be entering on duty on
10 May 1976 as a [redacted] was very STAT
appreciative of this information.

13. (Unclassified - [redacted] LIAISON Received a call from Chuck Snodgrass STAT
House Appropriations Committee staff, who said Chairman George Mahon
said he saw a newspaper article about an interview with John McCone and
asked me for a copy of that article. I told him I didn't recall such an
article, but there had been a full page in the Evening Star the other night
in which the TV Guide article by Mr. McCone was reprinted. I said I would
check further and be back in touch. Mr. Thuermer's office advised this
was the only article in recent weeks concerning Mr. McCone. Before I
had a chance to call Snodgrass, he called me and said it was the TV Guide
article and they did have a copy of that. He thanked me for checking on it.
